Dear Johnson Parents, Grandparents and Caring Adults:

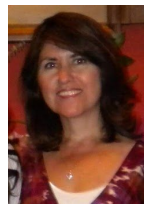

Happy new school year! My name is Josie Marin-Varelas and I am the Family Liaison at Johnson. Together, with the rest of the exceptional Johnson team, we hope to meet the needs of the "whole child" in order to help your child be more successful in school.

We know that parents are a child's first teachers and our goal is to build a solid school-family-community partnership in order to improve the quality of education for all students. We are here to encourage parents and the community to be involved in school activities and academics.

Feel free to call me at 908-3800 if you need assistance accessing emergency services such as food, clothing and referrals to social services, community agencies, counseling, mentors, tutors, job assistance, medical or dental access, immunizations, physicals, parenting issues and strategies, nutrition and health guidance.

Fill out the attached survey (one per family) so that we can know what needs and interests are. We will do our best to tailor programs and activities throughout the year that are of relevance and interest to you.

Sincerely,

Josie Marin-Varelas

Student and Family Support Liaison
